5

THE CLERK: For the record calling People
versus Bradley Peterson. This is Case 18-7293. This
matter is a pretrial.

8

MR. KONING: Kurt Koning appearing on behalf of
the People.

10

MR. BROWN: May it please the court, Mark Brown
appearing on behalf of Mr. Peterson who's seated to my
right.

13

THE COURT: All right. Uh, good morning,
Mr. Peterson, Mr. Brown and Mr. Koning.

15

MR. BROWN: Good morning, Judge.

16

THE DEFENDANT: Good morning.

17

THE COURT: Are you ready, Mr. Koning?

18

MR. KONING: Yes, Judge.

19

Your Honor, just, uh, for purposes of the
record, um, the reason why we're here today is, um,
defense counsel brought up an issue about, uh, the video
in this particular case. There is a surveillance video
capturing, uh, a portion of what's contained in the
allegations on April the 12th, 2017 in front of the 33rd
District Court in Woodhaven. Uh, the issue is about a

1 surveillance cameras.

2 And, uh, the, the concern I understand, and
3 defense counsel can correct me if I'm wrong, is that,
4 uh, the camera follows a fairly regular pattern and then
5 stops following the regular pattern for a certain
6 portion that are, uh, relevant to the allegations in
7 this case, and then they go back to following the
8 regular pattern.

9 What we have here today is, uh, excuse me, uh,
10 Shane MacIntyre who's the Systems Administrator for the
11 District Court, uh, who can perhaps shed some light on
12 this issue.

13 Um, I know defense counsel mentioned getting an
14 expert to look at this himself and, uh, we figured as a
15 preliminary matter, uh, just to shine the brightest
16 light on the issue that we can at present, uh, to have
17 Mr. MacIntyre take the stand and give whatever
18 explanation he can for what's contained in the video.

19 THE COURT: Okay.

20 MR. KONING: Counsel, am I correct on that?

21 MR. BROWN: Yes, sir. That's fine.

22 That's fine with me, Judge. Thank you.

23 MR. KONING: So at this time the People would
24 call Shane MacIntyre.

25 THE COURT: He's gonna be the only witness,

1 right?

2 We're not -- we don't need to --

3 MR. KONING: For purposes --

4 THE COURT: -- sequester --

5 MR. KONING: -- of this hearing --

6 THE COURT: -- anybody.

7 MR. KONING: -- I don't think we --

8 THE COURT: All right.

9 MR. KONING: Yeah.

10 THE COURT: Okay.

11 All right. Will you please raise your right
12 hand.

13 Do you solemnly swear or affirm the testimony
14 you're about to give is the truth, the whole truth, and
15 nothing but the truth, so help you God?

16 MR. MACINTYRE: I do.

17 THE COURT: All right. Could you please state
18 your name for the record and spell it.

19 MR. MACINTYRE: Shane MacIntyre.

20 Shane MacIntyre, S-H-A-N-E M-A-C-I-N-T-Y-R-E.

21 THE COURT: All right. Now, sir, um, you want
22 to face the prosecutor for the moment.

23 MR. MACINTYRE: Sure.

24 THE COURT: Pull the microphone close up to
25 you.

1 You're gonna be asked a series of questions.

2 Please make sure everybody can hear you.

3 Please wait until the question is fully asked
4 before you respond. We can only have one person talking
5 at a time.

6 Um, try to avoid our natural tenancy for
7 nonverbal communication, shrugs of the shoulder, nods of
8 the head.

9 MR. MACINTYRE: Okay.

10 THE COURT: Those don't translate into the
11 record as well as un-huhs, un-uns.

12 And if there's an objection, please stop
13 talking until it's resolved, okay.

14 MR. MACINTYRE: Yes.

15 THE COURT: All right. Go ahead, Mr. Koning.

16 SHANE MACINTYRE

17 (At 8:59 a.m. sworn as a witness, testified as
18 follows)

19 DIRECT EXAMINATION

20 BY MR. KONING:

21 Q Good morning, sir.

22 A Good morning.

23 Q Could you please state your name one more time for the
24 record?

25 A Shane MacIntyre.

1 Q And how are you employed, sir?

2 A I'm the Systems Administrator for the 33rd District
3 Court in Woodhaven.

4 Q All right. And, uh, what are the, uh, general
5 day-to-day duties of a systems administrator like
6 yourself?

7 A I maintain the computer network for all of the computer
8 systems, the video systems. Anything that's a system.

9 Q Okay. Uh, I wanna ask you if there are, if you know,
10 are there cameras affixed to the front of the 33rd
11 District Courthouse?

12 A Yes, there is.

13 Q And did you know how many cameras there are?

14 A There's one camera in the front at the front entrance.

15 Q Okay. And the camera at the front entrance, does it
16 operate the same way today, uh, as it did back in April
17 of 2017, if you know?

18 A Yes.

19 Q Okay. Were you still the systems administrator at that
20 time?

21 A Yes.

22 Q Now, um, I'm gonna show -- there's gonna be a video, uh,
23 up on the screen behind you. Um, I'm gonna start
24 playing it and I'm gonna -- and I'll, I'll stop it at
25 certain points to ask you questions.

1 That sound fair?

2 A Yes.

3 Q Okay. Um, I'm going be playing the video from, uh, it
4 states on the bottom 10:01 and 25 seconds a.m.

5 (Video played)

6 Q Now, sir, would you agree that the cameras is, uh,
7 panning to different portions of the front of the
8 courthouse?

9 A Yes.

10 Q Okay. Is this something that happens, uh, automatically
11 or does it -- is there somebody manning a camera to make
12 it move in this way?

13 A It happens automatically.

14 Q Okay.

15 MR. BROWN: Well --

16 BY MR. KONING:

17 Q If you know, how many, uh, different areas does it, uh,
18 cycle through?

19 A I think it, it's nine, nine areas, I think.

20 (Video played)

21 Q Now, pausing the video at 10:02 and 31 seconds.

22 Is the portion that you've seen so far, does it
23 appear to be going through its normal cycle --

24 A Yeah.

25 Q -- uh, of --

1 A Yes.

2 Q -- of frames?

3 Okay.

4 (Video played)

5 Now, I'm pausing the video again at 10:02 and
6 42 seconds.

7 Would you agree that that portion of the video
8 doesn't appear to be following the same ordinary
9 progression of frames?

10 A Yes.

11 Q Do you have any idea how this might happen?

12 A Yes.

13 Q How might that happen?

14 A Uh, there's, um, stations within the building that a
15 user can manipulate the camera.

16 Q And, uh, do you know how the user might manipulate the
17 camera?

18 A Uh, via a viewer and, um, mo -- a mouse and keyboard.

19 Q Okay. So if I have it right, the camera automatically
20 goes through a progression of areas that it, uh, records
21 for a certain number of seconds and then keeps moving,
22 but there is way in which somebody who's, uh, viewing
23 the video when it's live can manipulate the camera to
24 show a certain area?

25 A Yes.

1 Q Okay. I'm gonna continue playing. And I believe you
2 indicated that at 10:02:42 just before it started to
3 move in a way that would indicate that someone is
4 manipulating that camera?

5 A Yes.

6 Q Okay. Do you have any idea who on this particular date
7 would be, um, manipulating the camera?

8 This would be, uh, the April 12th, 2017.

9 A No, I don't.

10 Q Might there be a way, uh, based on employee records, pay
11 stubs, to find out who might have been working on that
12 particular day that might have been working this camera?

13 A There may be.

14 Q Okay. I'm going to continue playing the video at
15 10:02:42.

16 (Video played)

17 Q Pause the video and go back a few seconds, sir.

18 Uh, sir, I'm gonna play the, I'm gonna play the
19 video starting at 10:02 and 32 seconds, uh, a.m.

20 If you can indicate, um, for the record, and
21 I'll pause it when you say, the points at which the
22 camera appears to be operating manually, uh, somebody's
23 controlling it and the point at which it's going through
24 it's automatic progressions. Do you think you could do
25 that?

1 A Yeah.

2 Q Thank you.

3 (Video played)

4 A That was automatic.

5 MR. BROWN: Can you mark --

6 THE COURT: Excuse me.

7 BY MR. KONING:

8 Q Uh, that the, the witness indicated it was moving
9 automatically, uh, at 10:02 and 35 seconds.

10 (Video played)

11 A And, and this is manual.

12 Q All right.

13 A Where, where the, where the camera arced, that sort arc,
14 that was a manual.

15 Q All right. I'm gonna go back just a couple of seconds.

16 If you can indicate when, uh, you believe it
17 switched from, uh, automatic operation to manual
18 operation.

19 (Video played)

20 A Right, right there.

21 Q That would be 10:02 and 37 seconds for the record.

22 And, uh, once again, sir, I'm gonna play the
23 video. And if you could indicate, uh, when you believe
24 based on your viewing of it, it switches back to an
25 automatic cycle.

1 A Okay.

2 (Video played)

3 A Right there it switched back.

4 Q For the record that's 10:03 and 29 seconds.

5 We'll keep playing it.

6 If you can indicate if there, if there is
7 another time where it appears to be operated manually as
8 opposed to automatically.

9 (Video played)

10 A Right there is manual.

11 Q Okay. That's, uh, for the record, 10:03 and 40 seconds.

12 Uh, so once again, uh, we'll play the video.

13 And, uh, if there's a time when it switches back to
14 automatic, if you could let the -- uh, let us know.

15 (Video played)

16 A It, it just switched back.

17 Q For the record, 10:03 and 53 second.

18 Once again I'll play the video.

19 If you can indicate a time when it appears to
20 go back to a manual function.

21 (Video played)

22 Q Um, I'm pausing the video at 10:05 and 14 seconds.

23 Um, I have no other questions of this witness
24 at this time.

25 MR. BROWN: Your Honor.

1 THE COURT: You got cross, Mr. Brown?

2 MR. BROWN: Thank you.

3 CROSS-EXAMINATION

4 BY MR. BROWN:

5 Q Um, Mr. MacIntyre, um, I'm gonna ask you some questions.

6 I know a lot of times my questions don't really make
7 sense. I know that.

8 A Thank you.

9 Q So, if they don't make sense to you, please let me know
10 and I'll try to rephrase it, okay.

11 Um, first of all, did you have anything to do
12 with the acquisition of the system that we're looking at
13 now?

14 A The purchasing of the system?

15 Q Yes, sir.

16 A No.

17 Q Okay. Installation?

18 A No.

19 Q Okay. What is your connection with this, the video
20 system?

21 I understand you're the systems administrator
22 who's a computer tech person, right?

23 A Yes.

24 Q Okay. What is you -- what is your relationship with
25 this specific video system at the Woodhaven District

1 Court?

2 A Um, I'm asked to save video segments of certain
3 incidences.

4 Q Okay. So that's like a function like, you know, if you
5 save, you click save, save it to a disk or --

6 A Um-hum.

7 Q -- flash drive?

8 A For evidence, yeah.

9 Q I see.

10 So that's you, you have really no particular,
11 um, knowledge about this system; is that fair to say?

12 A Well, I maintain the system. I update the system, so.

13 Q Okay. Updating meaning you, you -- if you have, uh,
14 software updates to the --

15 A Yes.

16 Q Wait just one second.

17 You have software upstate -- updates to the,
18 um, what -- I don't -- the, um, mechanism that controls
19 the camera; is that fair to say?

20 A Yes.

21 Q Okay. And, um, you said that there were a number of
22 stations that there could be independent manual control?

23 A Yes.

24 Q And where are those stations?

25 A Um, there's one in my office, the court administrator's

1 office, the security pod, the security stations within
2 the three courtrooms.

3 Q Okay. So, one, two, three, four, five, six. Six
4 different places?

5 A Yes.

6 Q All right. And, um, that would be the -- you didn't do
7 this or did you?

8 You didn't --

9 A I don't --

10 Q -- under --

11 A -- recall. I, I -- no, I don't think I did, no.

12 Q So you put the real -- the answer is you don't know?

13 A I don't know.

14 Q Okay. And, uh, the -- who's the Court Administrator, do
15 you know?

16 A Yeah. Amy Zawacki.

17 Q And the security pod --

18 MR. KONING: Spell that.

19 BY MR. BROWN:

20 Q If he -- do you know how to spell Zawacki?

21 A Yeah. Z-A-W-A-C-K-I.

22 Q Okay. Thank you.

23 A security pod would be whoever was -- uh, is
24 that, if you know, an independent security or is it law
25 enforcement?

1 A It's independent security.

2 Q All right. And that would be -- well, you have no idea
3 because that --

4 A Well, no. It -- they, they work for the 33rd District
5 Court. They are employees.

6 Q Yes, sir. I understand that. And I apologize. Like I
7 told you, my questions aren't that good sometimes.

8 What I'm asking you though is that could be any
9 number of persons --

10 A Yes.

11 Q -- right?

12 On any -- on this day April 12th --

13 A Yes.

14 Q -- you don't know who's there. Okay.

15 And the security stations in the courtroom, I
16 assume the court officer would be the person who's able
17 to --

18 A Yes.

19 Q -- manipulate that; is that right?

20 A Yes.

21 Q Okay. And there, there's a monitor, and that person
22 can, if you just like watch, just watch that, oh, I
23 wanna move my mouse to see this, whatever might, I might
24 wanna see; is that correct?

25 A Yes.

1 Q All right. So, um, is there a way in the system, in the
2 software of this system to determine from which station
3 that, uh, manipulation was made?

4 A No.

5 Q How do you know that?

6 A I've been through the software and looked through all
7 the options and there's -- I've never seen anything like
8 that.

9 Q Okay. When did you do that?

10 A Just going through the software to learn it.

11 Q I understand.

12 Did you specifically look in this case, uh, to
13 determine whether or not there was, um, electronic
14 marker or something to determine where that instruction
15 meaning the mouse movement came from?

16 A No.

17 Q You didn't do that?

18 A No.

19 Q Could you do that?

20 A I don't know. I'm --

21 Q Oh, okay.

22 Um, who, who made the system?

23 Who's, who -- do -- if you know?

24 A Yeah. Um, Exaqvision.

25 Q Is that like spelled E-X-A-C-T?

1 A Yeah. No. E-X-A-Q-V-I-S-I-O-N.

2 Q E-X-A-Q?

3 A Yeah. Q-V-I-S-I-O-N.

4 Q Okay. Oh. Oh, my God. Okay. Thank you very much.

5 Um, and is that like a local software company,
6 or is that somewhere else, do you know?

7 A I, I'm not sure where it is.

8 Q All right. Um, and then extracting the video you said
9 that you saved the video in numerous occasions in the
10 past.

11 A Um-hum.

12 Q Did you do --

13 A Yes.

14 Q Yes?

15 Did you do that in this case?

16 A Yes.

17 Q All right. And you save it to what?

18 A Um, I saved it to your network drive and then to a thumb
19 drive.

20 Q Okay. And gave that an officer in charge of the case,
21 the prosecutor, who?

22 A Um, I think the officer.

23 Yeah, I gave it to the officer.

24 Q All right.

25 MR. BROWN: Um, just one second, Judge. I

1 don't think I have any more questions for this witness.

2 All right. No further questions.

3 Thank you very much.

4 MR. KONING: I, I have a general question.

5 REDIRECT EXAMINATION

6 BY MR. KONING:

7 Q Sir, uh, do you have -- uh, I believe you just indicated
8 that you are the one who extracted the video and
9 forwarded it to, um, the officer in charge; is that
10 right?

11 A Yes.

12 Q After you extracted the video, did you go back and do
13 any editing of the video to change how it appeared?

14 A No.

15 Q Okay. Would there be a way to do that?

16 A Not that I'm aware of.

17 Q Okay.

18 MR. BROWN: I apologize because I was
19 distracted, but I didn't hear your question.

20 MR. KONING: Uh, I asked if, if he went back
21 and did any editing of the video --

22 MR. BROWN: Oh.

23 MR. KONING: -- once it was distracted.

24 BY MR. KONING:

25 Q Uh, did you instruct any, uh, other people who work in

1 your department at the 33rd District Court to edit this
2 video in any way?

3 A No.

4 Q Okay. Um, did you, uh, forward any information to the
5 police on how they might be able to edit this particular
6 video?

7 A No.

8 Q Okay. I have nothing else.

9 MR. BROWN: I do. Based just on those
10 questions.

11 RECROSS-EXAMINATION

12 BY MR. BROWN:

13 Q To your knowledge, can, can you edit this video?

14 A I think there's video editing software.

15 Q Within the software program for the system?

16 A No. I just -- in general I think you can edit video.

17 Q Are you serious when you say -- I, I don't know. I
18 don't mean to be sarcastic. I apologize.

19 But when you said you think, you're, you're
20 court, uh, systems administrator. You, you got to know
21 that there's, uh, software to edit video?

22 A Yeah.

23 Q Okay. So that's not --

24 A I, I --

25 Q You said you think. What did -- I don't understand what

1 you meant.

2 A Yeah. You can edit video.

3 Q Okay.

4 A Yes.

5 Q So my question, I apologize to you, my question is on
6 this can -- sometimes there's, there are, um, um,
7 safeguards in the system to, to alert you as to whether
8 a video has been altered, is that fair to say?

9 A Could you repeat that.

10 Q Sometimes within a software program there are systems to
11 alert a person as to whether or not that video has been
12 altered from its original form?

13 A Yes.

14 Q Okay. Is that present in this software?

15 A I'm, I'm not sure.

16 Q You don't know?

17 A I don't know.

18 Q Okay. Is it like a time code, time change, something
19 like that?

20 A There is a time stamp on the video.

21 Q Okay. No further questions.

22 Thank you.

23 MR. KONING: I have nothing else.

24 THE COURT: Sir, when you said it's possible to
25 edit video, do you mean with the system that's in place

1 at the court or with systems that may exist in the
2 world?

3 THE WITNESS: Yes. Systems that, systems that
4 exist in the world, not this particular software or
5 software that the court uses.

6 THE COURT: Okay. So if there was any editing
7 done, it would have to have been done not using the
8 court software?

9 THE WITNESS: Yes.

10 THE COURT: And can you please tell me the
11 level of your, your education?

12 THE WITNESS: Um, I've had some college.

13 THE COURT: Okay. When you -- does that mean,
14 I mean --

15 THE WITNESS: An Associates Degree. Not in
16 computer technology and engineering.

17 THE COURT: Okay. Is it just more general
18 studies?

19 THE WITNESS: Yes.

20 THE COURT: All right. And what sort of
21 education and training do you have, do you have in the
22 area of computer science?

23 THE WITNESS: Um, working in the -- at the
24 court for four years and 16 years at an engineering
25 firm. I was a systems administrator there dealing

1 nothing but -- with nothing but computer, computer
2 technology.

3 THE COURT: And did, um, Exaqvision provide you
4 with a, uh, education and training at the time that was
5 installed?

6 THE WITNESS: No. That, that was installed
7 before I worked at the, uh, court.

8 THE COURT: And what sort of training did you
9 get on that system?

10 THE WITNESS: All self-learned.

11 THE COURT: Is there anybody who -- so nobody
12 provided you that training. It was all something you
13 did?

14 THE WITNESS: Yes.

15 THE COURT: And do you provide training to
16 other people, the system?

17 THE WITNESS: The, the system -- other people
18 that use the system use it as a viewer. It's, it's
19 pretty user friendly that way. So they're, they're --
20 it's not much training needed.

21 THE COURT: So they're just looking, they're
22 just moving the camera and doing nothing else?

23 THE WITNESS: That's right. Yeah.

24 THE COURT: Does anybody have any access to the
25 system to be able to edit it?

1 I mean in other words, if there -- if -- does
2 anybody have the access to the system to be able to
3 download video, let me ask you that?

4 THE WITNESS: Yes.

5 THE COURT: And who does?

6 THE WITNESS: Um, the court administrator. Um,
7 the security. It's a user called security and the
8 security officers have that access so they can download.
9 If I'm not there, they can download.

10 THE COURT: All right. And you say security,
11 you're talking about the, uh, sort of the in house, uh,
12 little rent a cops for lack of a better term?

13 THE WITNESS: The, the court officers, yes.

14 THE COURT: You're talking about -- well, are,
15 are the court officers in -- um, are they sworn officers
16 of, of the local district?

17 In other words, are they, uh, police officers
18 like you would see in Woodhaven?

19 THE WITNESS: They're retired officers. Some
20 of them.

21 THE COURT: Retired. The former retired
22 officers --

23 THE WITNESS: Yes.

24 THE COURT: -- who where hired by the court?

25 THE WITNESS: Yes.

1 THE COURT: Okay. And do you have -- and are
2 they the ones that have access?

3 THE WITNESS: Yes.

4 THE COURT: Okay. And do you have any other
5 court security?

6 THE WITNESS: No.

7 THE COURT: All right.

8 All right. Thank you.

9 Any other follow-up questions based on that?

10 MR. KONING: No, your Honor.

11 THE COURT: Mr. Brown.

12 MR. BROWN: No. Thank you.

13 RECROSS-EXAMINATION

14 BY MR. BROWN:

15 Q Oh, have you ever testified about this system in any
16 other situations?

17 A No.

18 Q Okay. Thank you.

19 THE COURT: All right.

20 May I have this witness step down?

21 MR. BROWN: Yes.

22 MR. KONING: Uh, yes, your Honor.

23 (At 9:21 a.m. witness excused)

24 MR. BROWN: That's all. Thank you.

25 And I -- just for the record, Judge, I made

1 efforts. I have not yet been able to secure the person
2 I would like to review is a Detroit Police Officer who's
3 reviewed things, not for me, but the Prosecutor's Office
4 before, but I may do that and I will do that.

5 THE COURT: All right. Well, please move
6 expeditiously. I think we adjourned the trial in this
7 case so we could, uh, you know, deal with this issue and
8 I don't wanna delay it any further.

9 MR. BROWN: Yes, sir. Thank you very much.

10 THE COURT: All right. Thank you.

11 MR. BROWN: Thank you, Mr. Koning.

12 MR. KONING: Thank you.

13 THE COURT: Have a nice

 THIS VIOLATION IS A CIVIL INFRACTION and is your 1 violation.
 The fine for this violation is \$ 25 and must be paid at the violations bureau
 by 5:00 p.m. on 10 days unless you contact the violations bureau before this time.
 SEE BELOW FOR AN EXPLANATION OF YOUR RIGHTS AND INSTRUCTIONS.

WARNING: If you fail to pay the fine specified above or fail to contact the violations bureau on the date and time specified above, a civil infraction citation will be issued.
 You are alleged to be responsible for a civil infraction. You must either: 1) admit responsibility;
 2) admit responsibility with explanation; or 3) deny responsibility.

ADMIT RESPONSIBILITY: If you wish to admit responsibility and pay your fine, you may do so by appearing in person or by mailing your fine along with this notice to the violations bureau.
 ADMIT RESPONSIBILITY WITH EXPLANATION OR DENY RESPONSIBILITY: If you wish to admit responsibility with explanation or deny responsibility and have a hearing, you must contact the violations bureau on or before the date specified above. A citation will be issued and filed with the court where you will have the right to an informal hearing before a magistrate or judge or to appear in court for a formal hearing before a judge.
